

Haley Adams - White Nationalist Wanna-be Celebrity

Published on Mar 09, 2019

Haley Adams

Haley Adams is a white nationalist member of Patriot Prayer who has been a consistent presence at Patriot Prayer and Proud Boy events and struggled to transform herself into an alt-right celebrity.

Recently, Adams' constant attempt to propel herself into the far-right media spotlight has been a cause for significant in-fighting amongst Patriot Prayer, the Proud Boys, and her own group of far-right amateurs. [After a feud led former Proud Boy Kim Costello to be outed](#), Rose City Antifa was sent another tip, detailing Adams' home address.

Haley Adams currently lives at:
16751 SE 82nd Dr Apt 1202
Clackamas, OR 97015

Cole Strong Tiny Toese Travis got disavowed over threatening a Brother but there wasnt any issues with the threats that your boy made against Haley and myself? Thats why all this escalated. She never made a threat to dox him to anyone. That is all bullshit. Its bullshit that all we have done is support and show you nothing but respect and now we are being disrespected constantly. Its even more ridiculous to me that all these issues are now put out on a public post that has now made its way to twitter. Figure your shit out

Adams made her first appearance with semi-organized far-right activists in Portland on April 29, 2017, when Joey Gibson [exploited an anonymous letter](#) in order to storm through Portland's Montavilla neighborhood with [a number of fascists](#) who threw roman salutes and left white supremacist graffiti in their wake. [Jeremy Christian was one of the white supremacists who attended that rally](#), who less than a month later would murder two people and seriously wound a third, who attempted to stand in the way of him harassing two young Muslim women on a MAX train.

Remember Emmett Till? He was accused of sexually harassing Carolyn Donham. Her lie led to his unimaginable death. An open casket revealed the putrid nature of a lie, of hatred, of believing a "survivor" over the self-evident truth.

Through the end of 2018, Adams has started a campaign of attempting to get Ted Wheeler, the mayor of Portland, fired. It is unclear exactly why she is attempting this, other than voicing the idea that working with a white nationalist to express ire at elected officials is something that supposedly “the left” should do. To that end, she has disrupted city council meetings; held endless and poorly-attended sessions on the City Hall plaza; attempted to harass, and intimidate, and threaten leftists at union halls and other meeting spaces; and even disrupted [the city's “listening session” responding to police and far-right collusion](#), by standing on a church pew, yelling, and gesturing in the style of a roman salute. The only notable effects of these activities is that she has drawn in a [small](#) group of far-right personalities with nothing better to do than follow her around and film her antics.

**July 8th 2019 will be an
eventful day in Portland
Oregon.**
